Border Crossing, UCSD, and Balboa Park (6 times)

As you can tell, Balboa Park is our main stomping ground. Always lots of people from all over the world. 6 of us handed out over 2,000 tracts in 2 hours at the border! 1,000 of them in Spanish. 4 new people helped out this month.

"Little John" (in the white t-shirt) is here at the border not only handing out tracts, but talking to people about the Lord. He's only 10 years old.

Joseph (black t-shirt on the right) is talking to this family about the things of God. Joseph is the older brother of little John and has come with us 8 times now. He's 15 years old.

The Lisa (in the red), Bible Johns daughter. She'd never been out tracting before and came along to Balboa Park. She's very active sharing her faith so this was a perfect match for her.

The Amazing Ricky (big guy in the red) came out for the first time in nearly a year. Has a new knee. This was the only photo I had of him and it was blurry. I had to review with him some of the basics in witnessing (not really), but now he's back in the groove.

Dianna spoke with this young Spanish man at the border. His name is Julio and he has a strong desire to get his life right before God. He needs your prayers.

At least 5 times in the last month I spoke with JW's at Balboa Park. The young man on the left is only 16. Raised a JW but listened intently. I take photocopies of their own material with me. After just moments they don't want to see anymore or speak about it.

John at Balboa Park in a sea of kids. This wasn't even half of them. They all wanted a million dollars. They may read only a portion of it but no doubt their parents will.

I took this picture myself (with my left hand), of Chris, a Mormon I met at Balboa Park. I rarely speak with anyone so long, well over an hour. He had lots of questions and seemed to be sincerely looking for truth. Pray for him.

What's Happening and What's Coming???

ComicCon coming... Lord willing, on the 23rd of this month we'll attend the largest comic book event in the world here in San Diego. Some 200,000 people. We'll do tracting and some open air preaching to place on YouTube. So far 3 of us will do open air for the video.

1,000,000 peso bill complete... After months of hard work and numerous adjustments we've completed the million peso bill in Tegalog, the main language of the Philippines. The Philippines has a desperate need for gospel tracts in the language of the people. Pastor Gill has contacts with a number of small churches there where this will be used. We've agreed to donate the first 5,000 to them. Please help if you can with the \$500 required to print. It's patterned after their 100 peso bill with an almost identical message as our million dollar bill.

Please pray for Doug... Doug has gone tracting with us many times. The day before I'm writing this, Doug has had several seizures in the last 24 hours and is in the hospital. Pray that God will be gracious and he will recover soon.

4 JW videos over 7,000 hits!!! The videos that we took at the JW convention in May have already had over 7,000 views. I get emails daily from JW's that have watched the videos. Almost all defiantly defend the Watchtower. Please pray that these videos will start the witnesses thinking.

Blessings,
Jerry and Dianna
